Specific improvements and services provided by the District include water, sanitation, street, storm, park and recreation, and the operation and maintenance of the District. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

On November 4, 2008, the District's electors authorized the issuance of indebtedness in an amount not to exceed \$5,000,000 for water, \$20,000,000 for streets, \$5,000,000 for sanitation, \$5,000,000 for park and recreation, and \$20,000,000 for refunding of debt. The voters also approved an annual increase in taxes of \$150,000 annually, at a mill levy rate not to exceed one mill for operations and maintenance. The election also allows the District to retain all revenues without regard to the limitations contained within Article X, Section 20 of the Colorado constitution. As set forth in the District's 2009 operating plan, the City has limited the amount of debt to be issued to a total of \$20,000,000 in the authorized voted categories, without further approval by the City.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those difference may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on page 3 of the Budget at the total adopted mill levy of 51.000 mills.
